

WARRANTY

All Vellum frames are free from defects and are under warranty. For road frames, warranty is for **(3) years** upon purchase. For mountain bike frames, warranty is for **(1) year** upon purchase. The duration of any implied warranty or condition, of merchantability, fitness for a particular purpose, or otherwise, on this product shall be limited to the duration of the express warranty set forth above.

In no event shall **Vellum Cycles** be liable for loss, inconvenience or damage, whether direct, incidental, consequential, or otherwise resulting from breach of any express or implied warranty or condition of merchantability, fitness for a particular purpose, or otherwise, with respect to this product except as set forth herein. Some locations may not allow limitations on how long an implied warranty lasts and some locations may not allow the exclusion or limitations of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

In addition, the **Vellum Cycles (CRP) Crash Replacement Program** is designed for the Vellum Cycles product purchaser who, in any case, damages the frame due to a crash. The damaged frame must be turned over to Vellum Cycles (see warranty claim details below) and will be sent to the Vellum Tech Lab for further testing and evaluation. If the outcome of the results further imply that the damage was caused by a crash, the replacement process is then activated. Upon approval from the Vellum Tech Lab, Vellum Cycles then confirms to the Vellum Cycles product purchaser to get a new frame at half (50% off) the current suggested retail price, if the damage is incurred within the warranty period.

To obtain service of these warranties, you must send your Vellum Cycles product together with retailer's original bill (**proof of purchase**), your charge or credit receipt or other satisfactory proof of the date of purchase of the product to your local distributors or accredited dealers. If you purchased your Vellum Cycles product internationally and still don't have an accredited local dealer or distributor in your country, send it to **Vellum Cycles, LOALDE Bldg., M.L. Quezon St., Cabanalan, Mandaue City, Cebu, Philippines 6014**. Any postage, insurance or shipping cost incurred in sending your Vellum Cycles product for service, are your responsibility.

For frame replacement and warranty delivery schedules, ask your local dealer or distributor for updates.
